**The menu is intended only for tourist groups  
for quick lunches of up to 1.5 h.**

*Skansen Smaków,*  
the Regional Tavern is located in the suburbs of Kraków, less  
than 10 km from the Kraków Main Square  
and only 2.5 km from the Kraków Balice Airport,  
by the transit road towards Oświęcim.

Our Tavern - styled to look like an old Polish tavern - allows you  
to feel a truly Polish atmosphere,  
which is complemented by regional costumes of our staff  
and traditional music in the background.

Over the years of our activity, we have served thousands of  
tourist groups from around the world, often adapting  
the menu to the cultural preferences of our guests.

We cooperate with leading tour operators  
from Poland and abroad,  
who appreciate the quality of our services  
and recommend us to their clients.

We serve tourist groups from 10 to 250 people.

We will also be happy to host your group in our interiors.
