and only 2.5 km from the Kraków Balice Airport,
by the transit road towards Oświęcim.

Our Tavern - styled to look like an old Polish tavern - allows you
to feel a truly Polish atmosphere,
which is complemented by regional costumes of our staff
and traditional music in the background.

Over the years of our activity, we have served thousands of
tourist groups from around the world, often adapting
the menu to the cultural preferences of our guests.

We cooperate with leading tour operators
from Poland and abroad,
who appreciate the quality of our services
and recommend us to their clients.

We serve tourist groups from 10 to 250 people.
